

$A A O A A O A I R R R M \xrightarrow[\text{char}]{\text{pal}} A A O A A O A O I R R R M$

20248

Answer

A diagram illustrating a sequence of operations (A, B, C, D, E, F, G) and their corresponding values (1, 2, 1, 2, 1, 2, 1) in a grid structure. The operations are listed vertically on the left, and the values are listed vertically on the right. A large arrow points from the operations to the values. The values are grouped into pairs (1, 2) and (2, 1) for operations A, B, and C. The value 1 is shown for operation D. The value 2 is shown for operation E. The value 1 is shown for operation F. The value 2 is shown for operation G.
